## Part 2 – Questions 6-10: Holidays

The people below are all looking for a holiday idea.  
On the next page there are eight holiday adverts.  
Decide which holiday would be most suitable for the following people.  
For questions 6-10 write the correct letter A-G in the box next to the picture.  
Each letter can be used once only.

<b>6.</b>		<b>Cara</b> is a big fan of the outdoors. During her last holiday trips, she went on hiking and biking tours. She is really fond of this way of seeing the world. She is not into big cities that much but would like to meet people from different countries. She doesn't like staying in big luxury hotels.
<b>7.</b>		<b>Luis</b> is looking for a holiday filled with activities and sports. He is really into extreme sports. Although he enjoys the outdoors, he is not a big fan of camping. His father owns an outdoor store, so he has a lot of good equipment for outdoor activities. This year he wants to go on a trip with his friend Mika. Mika has no experience with outdoor activities, but is interested in trying new things.
<b>8.</b>		<b>Hannah</b> loves to explore exciting places. She enjoys absorbing the vibes of European cities. In her free time she sings in a band and writes their lyrics. She is a big fan of Sam Smith and would like to get to know more British songwriters. During her last city trips she spent too much money shopping in expensive boutiques, but now she's decided to spend her money on her other hobbies instead.
<b>9.</b>		<b>Joe</b> lives in the Bavarian mountains and has never seen the ocean in his life. He goes to school all day and helps his parents on their farm. That's why he is really looking forward to sunbathing on the beach without having to do anything else. Of course, he wouldn't mind some entertainment in case he gets bored with the ocean and the sun.
<b>10.</b>		<b>Luke</b> wants to go places and see the world, but he doesn't like learning languages. He always needs something to do. He has a well-paid job so he can afford to spend quite a lot this year. Luke used to live in Italy and loves the sea and the sun.

### Part 3 – Questions 11-17: eBay typo

Read the text and then tick (✓) the correct statement.  
There is only one correct solution per statement.

#### **eBay loophole: how you can make use of spelling mistakes**

*Many people who try to sell products on eBay make mistakes spelling the names of their items. A great chance for smart people looking for a cheap purchase.*

Bargain hunters use eBay to find good deals on absolutely anything.

People often sell new, or almost-new items for very low prices.

What most people don't know is that there is a loophole that could save you even more money – based on the fact that you could find items other online shoppers have overlooked. The reason? Typos, or spelling mistakes, made by the seller.

"Other people's typos save you money" states FatFingers.com, a website created to find thousands of misspelled product names on eBay. Created ten years ago, Mike Sheard set up FatFingers after having discovered someone on eBay selling a very high number of bikes.

"I noticed a seller that was selling lots of bikes. He said he found them in his garage but he was selling far too many for that to be true," Mr Sheard said. "A little bit of research and I discovered he was finding misspelled product names such as 'montain bike' and 'mountin bike'.

"Because no other buyers were finding these sales, thanks to the typo, he was able to buy them cheaply, because no one else was competing. He would then sell the cheaply bought product with the correct spelling, making a good profit."

Following that discovery, Mr Sheard went on to build a program that could find thousands of items listed on eBay with spelling mistakes. The website and app (available for Android and iPhone) gives users the chance to search for any item, and finds its incorrectly-spelled product names.

As a result, shoppers can find the product names that most people won't. For instance, a silver necklace was misspelled as "Jewelery" and was on offer for £0.01 with free shipping to the UK. It had no bids with just one day until the end of the auction.

Other commonly misspelled words that eBay shoppers could profit from are brand names like 'Addidas', 'Samsun', and 'Kindel'.

#### Wir heißen Flüchtlinge willkommen

Im Rahmen eines Sozialprojekts für die Schule machst du ein Praktikum bei der Abteilung für Flüchtlingshilfe des Deutschen Roten Kreuzes. Eine Flüchtlingsfamilie kommt an und Rami, der 16-jährige Sohn, spricht gut Englisch. Der DRK Mitarbeiter, dem du zugeteilt bist, kann aber kein Englisch. Nach dem allerersten Informationsaustausch musst du zwischen den beiden vermitteln. Die Familie musste bei der Flucht alles zurücklassen, deshalb fragt der DRK Helfer zuerst, was sie benötigen.
